MOMBASA OLD TOWN TOUR - At 08:00 hrs you depart for a tour of Mombasa city. The city of Mombasa, spread over a small coral island and has a long colourful history.

The tour will go to the mainland to visit the Akamba Handicraft Industry Cooperative Society where you will be able to watch the craftsmen at work and bargain over their handicrafts.

You will visit historical places like Fort Jesus, built by the Portuguese in 1593 to secure their position in Mombasa. The Fort was under siege for more than 33 months before it fell to the Sultan of Oman in 1699.

We will spend some time exploring Fort Jesus Museum and wander through the old town admiring the myriad of shops selling perfumes, embroideries, wood or stone carvings, chests and even Persian rugs.

For thousands of years dhows have plied across the Indian Ocean carrying rare and exotic cargoes of spices and ivory. These romantic old sailing vessels have been largely replaced, but they can still be seen on Mombasa Harbour. Lunch at own cost. **Optional *Haller Park & Fort Jesus entrance fees***

FUNZI ISLAND - Take a boat trip to Funzi Island and enjoy full day excursion along Ramisi river for a chance to see crocodiles, mangrove forests and numerous Bird Life. The tour includes excursion to Funzi Island and canoe up Ramisi river. The tour is rustic and allow you to enjoy local experience. Funzi lagoon is amazing and trips are calm and relaxing. In the river you can spot the crocodiles. It is important to note that this tour is not a snorkelling trip, because the waters around funzi are not clear due to the mangrove forest around the area.

The tour lasts for about 5-6 hours and begins from Diani beach or Mombasa. Pick up from Diani beach at 7.30am and head out to Bodo via Shirazi village. The drive is about 40min to Bodo, a boat will be waiting to take you amazing adventure.

The day begins with a trip up the Ramisi river in motorized canoe, the river abounds with exceptional birdlife and crocodile. A stop on the sandbank ensures that you're at the most beautiful spot on the coast for swimming and making the most of this little piece of paradise (don't forget your sunscreen, towel and beach sandals).

WASINI ISLAND - Drive to Shimoni is about 1.5 hrs to the Jetty. As you drive to the historical small fishing village of Shimoni at the South Coast, you will have the opportunity to see rural villages, sugar cane plantations, tall palm trees and lush greenery.

The Slave Caves: On arrival, a local guide will lead you through the Shimoni caves where slaves were "stored" during the old slave trading days before shipment to the Zanzibar slave market.

After the visit to the caves, you'll head to the Shimoni piers and board a traditional Swahili Dhow for a cruise to the Marine Park. As you cruise through the Indian Ocean, there is an approximately 90% chance to spot Dolphins. You then snorkel and marvel at the rich marine life where corals, exotic fish and sea plants are protected. You are provided with masks and snorkels and are accompanied by a certified and experienced guide. Assistance is also provided to first timers.

Sail back towards our restaurant located at the Shimoni main land where a tropical seafood lunch is waiting for you at the Coral Spirit Restaurant. The four-course menu includes crab, fish, sea weed, and rice with coconuts sauce. You can also opt for a chicken or vegetarian menu. The restaurant, built on coral architecture and located directly at the shores, overlooks the channel towards Shimoni.

After lunch, you have the option to take a discovery stroll through the Wasini Island and its Swahili culture, visiting the beautiful coral garden and the mangrove forest. Alternatively, you can sunbath and relax at the restaurant, enjoying the sea view and the afternoon breeze.
